FIFA U17 World Cup

To,

The Principal,

Respected Sir/Madam,

www.ihavereadthebook.com is an initiative to encourage children to read and share their reading experience with other children.
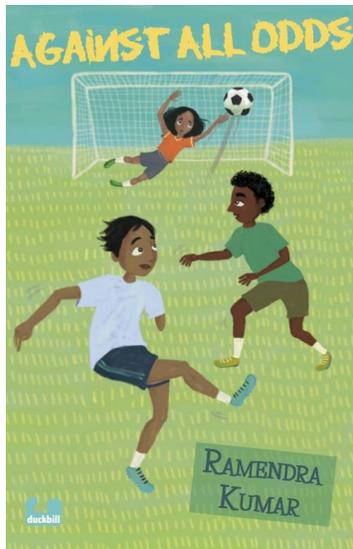

Since football fever is in the air with the FIFA U17 World Cup happening in India this month, we have a unique competition for all young football Lovers.

I request the participation of   your students by answering following three questions

1. **Which team will win the FIFA U 17 World Cup?**

2. **Name the player who will score the maximum number of goals during this World Cup?**

3.   **Write to us about the football player who inspires you the most and why?**
    (Word limit: maximum 150 words)

    (There is no entry fee for this competition.)

The **three** best entries will **receive an author signed copy of the book *Against All Odds* by multiple-award-winning author Ramendra Kumar**. This is an inspiring story of a one-armed boy who loves football.

Kartik lives, breathes and dreams football—and now he cannot play!
When Kartik and Kavya move from Kolkata to Rourkela, neither is enthusiastic about living in a small town and leaving their old friends behind. But it is especially tough on Kartik. At school in Kolkata, no one paid much attention to the fact that he was one-armed, whereas in the new school, he is treated like a freak. Worst of all, the school football coach refuses to let him play.
Will Kartik overcome the odds and play football again? Find out how Kartik and his new friends take on life's challenges, in this tale of fun, football and friendship.
