I have a Story, too.

Hi This is Atharv. Founder of www.ihavereadthebook.com.*

*I am working on a book “**I have a Story, too.**” based on the Inspiring stories of people who have progressed in life overcoming various difficulties. The story should motivate the reader (Children & Young adults) to put an extra effort to excel in life.*

If you think, your life story can inspire the next generation, please write it. All the stories can be sent to mentor@ihavereadthebook.com with your name, e-mail address and contact number & a brief profile. (on or before 25th May 2019).

I plan to publish this e-book on 27th July 2019(Death anniversary of Bharat Ratna Dr APJ Abdul Kalam.)
