

## Librarian of the Year 2018-19 (Schools) award.

*“Librarians have always been among the most thoughtful and helpful people. They are teachers without a classroom. No libraries, no progress.”*

— **Willard Scott**

To recognize the efforts of School Librarians in shaping the life of the students (by encouraging them to read good books), we have thought of this award. The award is sponsored by one of the best teacher I know. i.e. my Grandmother (74 Yrs.) a retired School Principal, who helped thousands of her students to become a better human being.
